Dear Mr. Hastie:

Thank you for the copy of the consolidated Encorp Pacific (Canada)'s Beverage Container Stewardship Plan, as required by section 4 of the Recycling Regulation.

This letter confirms that the contents of the approved Encorp Pacific (Canada)'s October 2006 stewardship plan, July 6, 2007 supplementary letter and appendices have been incorporated in the consolidated and amended November 2007 version.

In addition, I have completed my review of the amendments to October 2006 plan that incorporates Encorp Pacific (Canada)'s stewardship responsibility for all non-refillable beverage alcohol containers (not including alcohol beverages packaged in cans and refillable containers). I am satisfied that these amendments in the consolidated November 2007 plan meet the requirements of the Recycling Regulation and hereby I approve these additions to the consolidated plan. Please be advised that this approval does not extend to any materials or content contained in the plan that are extraneous to the requirements of section 5 of the Recycling Regulation.

I look forward to receiving future annual reports detailing the targets and key milestones reached during the implementation of this plan, as required under section 8 of the Recycling Regulation.

Sincerely,

Original Signed By
